Global Action for Business Integrity

** Country:** Global, with a focus on Brazil, Colombia, Egypt, Ethiopia, Malaysia, Kingdom of Saudi Arabia and Uzbekistan

** Duration:** 3 years (2021-2024)

** Funding:** $4 million USD

** Donor:** Siemens Integrity Initiative

---

### OBJECTIVES

The Global Action for Business Integrity project aims to strengthen legal frameworks, promote public-private dialogue, increase government knowledge of legal frameworks and good practices and improve private sector capacity to enhance business integrity. The project is active in seven countries and has a global component which plays a critical role in upscaling effective approaches, achieving sustainability and disseminating good practices identified in global policy forums.

---

### SUCCESS DATA

- More than 700 participants attended the first and second edition of the Global Webinar Series, jointly organized by UNODC and UNGC.
- Six collaborative workshops with civil society and academia were held in four cities of Colombia to develop solutions for anti-corruption Collective Action.
- More than 200 business representatives participated in preparatory events for the launch of a platform for discussing business integrity concerns in Uzbekistan.
- 60 students and young software developers participated in a Coding4Integrity hackathon in Mexico.
- 20 integrity experts and academics from Egypt, Libya and Morocco participated in the contextualization of anti-corruption modules for universities from the MENA region.
- 126 representatives from the government, private sector, civil society, academia, and UN agencies took part in a public-private dialogue organized by UNODC in collaboration with the Federal Ethics and Anti-Corruption Commission in Ethiopia.

---

### OUTCOME AND IMPACT

- Standards of corporate governance and integrity are raised in project countries, contributing to a clean business environment.
- Communication among the public sector, private sector, civil society and academia is improved as a result of the joint platforms for interaction, dialogue and knowledge-sharing in the area of business integrity in project countries.
- Governments make significant progress in advancing legislative reforms to prevent and counter corruption.
- The global dialogue on business integrity is enriched with national and sectoral good practices.
